Principal's Message at the end of June....

Grade Two's had fun getting dirty with red soil that came from P.E.I today.

We dyed our papers and made a big mess!

It was a fantastic experience to wrap up our unit learning all about P.E.I.

Thank you to Mrs. Trusty who gave the soil to the class!

Two pink hearts are positioned above the quote. A signpost with a black post has two green signs: the top one says 'Middle School' with a white arrow pointing left, and the bottom one says 'High School' with a white arrow pointing right. A white 'to' is written between the two signs. A string of colorful bunting (red, green, blue, yellow) hangs across the top of the signpost.
