

Dear Parents/Guardians,

I would like to invite you and your grade 7 student to attend an instrument selection appointment at Ecole Arthur Meighen. In this 10 minute appointment, your student will have the opportunity to try out the instruments available to them in order to determine the best fit for their time in band over the next couple years.

Students in grade 7 will start one of the 5 main wind instruments: Flute, Clarinet, Trumpet, Trombone, and Baritone/Euphonium. After Christmas, students who wish to play a specialized instrument (Oboe, Bass Clarinet, Saxophone, F Horn, Tuba, or Percussion) will have the opportunity to audition for one of these instruments.

In order to keep a balanced band, not all students will get their first choice of instrument, but students are guaranteed one of their top three choices. Please sign up for an appointment day below and a time slot will be assigned to you. **Students who do not attend instrument selection will be assigned an instrument based on availability.** Please let me know if there are any questions or concerns.

Regards,

Steven Preun
