

The City of Portage la Prairie recently proclaimed and recognized the month of June as Pride Month in Portage la Prairie. Pride Month is a positive stance against discrimination and violence towards 2SLGBTQIA+ people.

Within the Portage la Prairie School Division, we support an inclusive and respectful community and promote awareness and acceptance of all.

As such, PLPSD and its schools are organizing a walk for students and staff during the week of June 10th -14th. We will celebrate students and staff in all their identities.

Our walk will be June 13th at 12:15pm.
This is an optional activity.
